1 Statement

As representative of the organizing staff for Round 2 of the Danish National Mountain bike League 2017. I hereby declare the race as described in current technical guide will be carried out according to the UCI regulations.

Sincerely,

Uffe Degn
Holte Mountainbike Klub

2 General specifications

2.1 Race organization

The race will be organized by Holte Mountain Bike Klub (HMTBK). HMTBK is registered under the Danish Cycling Association as an elite cycling club. HMTBK is founded 1991 and has during the last decade hosted several national cross country mountain bike races.

Race officer: Uffe Degn

2.2 Race type and classification

The race is classified as a cross-country mountain bike race and will follow the UCI requirements of a cross-country Olympic (XCO) race.

The race will be categorized as Class 2 (C2) race according to the UCI regulations. Infringements shall be penalised according to UCI rules and regulations.

2.3 Rider categories

The race will have participants for even UCI regulated rider categories as riders in the categories regulated by the Danish National Cycling Association (DCU).

UCI rider categories:

- Men Elite*
- Women Elite*
- Men juniors (U19)
- Women Junior (U19)

* Under 23 Men Elite and under 23 Women Elite respectively will not have a separate start. Under 23 riders will be indicated in the results list.

DCU rider categories:

- Men B
- Men C
- Men H40 (age 40 and above)

- Men H50 (age 50 and above)
- Women B
- Women +40 (age 40 and above)
- U17/U17P (age 15-16)
- U15/U15P (age 13-14)
- U13/U13P (age 11-12)
- U11/U11P (age 9-10)

The age is as per 31 December 2017.

2.4 Points scales

The UCI rider categories will be awarded points according to UCI regulations annex 2 UCI MTB XCO points:

Rank	1	2	3	4	5	6	7	8	9	10
Points	30	20	15	12	10	8	6	4	2	1

The DCU rider categories will be awarded points according to the Danish National Cycling Regulations.

Rank	1	2	3	4	5	6	7	8	9	10
Points	200	170	150	130	110	100	90	80	70	68

Rank	11	12	13	14	15	16	17	18	19	20
Points	66	64	62	60	58	56	54	52	50	48

Rank	21	22	23	24	25	26	27	28	29	30
Points	46	44	42	40	38	36	34	32	30	28

Rank	31	32	33	34	35	36	37	38	39	40
Points	26	24	22	20	18	16	14	12	10	8

Rank	41	42	43

3.3 Registration procedure

Riders can preregister for the event online through the MTBliga homepage. The MTBliga be found at the Internet address www.mtbLiga.dk

By online registration on the homepage credit cards payments of starting fees are possible.

Registration is possible on race day too. At the race day cash payment of starting fees only and fee will be twice the normal price. Please be informed that this is not possible for UCI rider categories.

3.4 Rider accreditation

Rider accreditation takes place at the race office, which is located at the start/finish area. For rider accreditation times please see section 3.2, Race program.

All riders will receive a race number plate, which must be placed on the handlebar of the bike, and number for the back of the riders.

Riders holding their own AMB type timing chip must present their chip at the rider accreditation, as the chip code (Tag Id) will be checked.

Riders not holding their own AMB type timing chip, can rent a chip.

All riders must pass the AMB chip check, to confirm the rider information's is correct. It's the riders answer that it's correct information's.

All riders entering UCI or DCU regulated rider categories must present a valid UCI license at the rider accreditation. Riders who can not present a valid UCI license will not be permitted to start.

3.5 Course description

The race course will have a distance of approximately 6 km. Further details on www.mtbloga.dk

3.6 Start/finish area

The start/finish area is located at an open area. There will be a short start loop of.

3.7 Start procedure and timing

The riders will be started in groups according to the respective rider categories. UCI commissars will conduct and determine the final procedure.

The race will be timed using precise electronic timing equipment. Each rider has a chip which is registered each time the rider cross the finish line after a completed lap.

3.8 Feed and technical zone

The feed and technical zone is located close to the start/finish area. The feed and technical zone will be clearly marked with signs written in both Danish and English.

3.9 Course marshals and medical assistance

Marshals will be positioned at specific locations along the course to assure the safety of the riders and spectators. All marshals will be equipped with first aid kit and radio or cell phone to call for assistance if needed.

Paramedics will be located at the start/finish.

Distance to nearest hospital is 15 kilometres from the race venue.

3.10 Award ceremonies

Award ceremonies will take place at the awards podium located at the start/finish area shortly after the race in the various classes has finished though of course allowing time for anti doping testing.

3.11 Anti doping and mechanical doping tests

Facilities for anti doping testing will be available.

http://www.antidoping.dk/dopingkontrol_i_danmark/saadan-foregaar-en-dopingkontrol
